WHY BUY HEALTH INSURANCE ?

Cashless facility

Healthcare is not as cheap as you might imagine.

The last thing you want to worry about in the hospital is money.

It's an unpredictable world. It's hard to avoid illness.

" BUY HEALTH INSURANCE WHEN YOU DON'T WANT IT, BECAUSE YOU MAY NOT GET IT WHEN YOU NEED IT."

- Wide network of hospitals with cashless facility.
- Present medical conditions are also covered.
- No need to delay medical expenses.
- Healthcare at affordable rate.
- Peace of mind.

ADVANTAGES of HEALTH INSURANCE

5 IMPORTANT FACTS

1.

Some policies expire when an individual is either 70 years or 80 yrs while some are for life. Do your research.

2.

15%

Most companies give No Claim Bonus in the form of cumulative Bonus.

3.

Different insurance policies have different benefits. Compare them in light of the cost.

4.

The monthly payment or premium doesn't tell the whole story. You need to consider the variables too.

5.

Try to go for the family floater plans as they are generally 40 % cheaper.
